

The ideal partner for business projects abroad

Finest creates added value for firms based in north-east Italy, helping them take their development initiatives outside the national borders. Thanks to its extensive experience it can guide business decisions and offer targeted consultancy to support the implementation and development of international projects.

EQUITY PARTNER

It has holdings of up to 49% in the share capital of foreign firms set up in partnership with firms based in north-east Italy.

SOFT LOANS

It offers soft loans to Italian firms, enabling them to develop their initiatives abroad.

LOANS

As an equity partner it is able to provide the foreign firms with direct loans, completing the investment project in combination with the funds invested in the share capital.

CONSULTING

It provides firms based in north-east Italy with consultancy relating to international investment projects and operations of all kinds, offering on-going assistance, from the initial concept to implementation.

BUSINESS+INTERNATIONAL: FINEST HAS THE PERFECT SOLUTION

FINEST 
YOUR INTERNATIONAL BUSINESS PARTNER

Finest, a reference point for the internationalisation of firms based in north-east Italy

Finest is deeply rooted in the local area and committed to developing business for Triveneto firms on the international markets. It is a competent and dynamic partner for companies in Friuli-Venezia Giulia, Veneto and

Trentino-Alto Adige. With their excellent entrepreneurial tradition, these regions have a strong vocation for exports and focus on innovation, meaning that they can offer the very best in terms of quality and research.

OVER TWENTY YEARS OF EXPERIENCE, MORE THAN FIVE HUNDRED SUCCESSFUL PROJECTS

Founded in 1991, Finest has more than twenty years of experience behind it, giving it the necessary expertise to assist with the internationalisation of firms based in north-east Italy. It has carried out hundreds of operations on international markets and supplied hundreds of millions of euros to support international investments made by local economic players. Every new project is the result of years of commitment and professionalism.

WINNING STRATEGIES BASED ON EXPERTISE AND SYNERGY

Finest draws upon its expertise for numerous carefully assessed and shared projects, as well as its extensive knowledge of international markets for its corporate consulting and risk management activities to facilitate international operations. Part of the Gruppo Friulia, a financial institution operated by the Regione Friuli-Venezia Giulia, it is owned by Veneto Sviluppo, a financial institution operated by the Regione Veneto, the Regione Veneto itself, Simest, the Provincia Autonoma di Trento and private banking institutions. It operates in close partnership with other national public bodies that support business internationalisation.

ALL-ROUND GROWTH FROM EUROPE TO THE MEDITERRANEAN

From its offices in Pordenone and Padua it contributes to the development of international projects implemented by north-east Italian firms in Europe and across the Mediterranean. It aims to play an active part in the development and structural growth of local firms.

BUSINESS WITHOUT BORDERS IN 44 COUNTRIES

More than ever before, firms have to look to international markets for new development prospects. Finest offers the perfect solution for this requirement thanks to an extensive international relations network and the possibility to make direct investments in forty-four different countries.
